

UNIFIED FIRE AUTHORITY MEMORANDUM

TO: All UFA Personnel
FROM: Logistics-Fleet Division
SUBJECT: State Fueling Sites
DATE: 3-10-2011

Due to increasing prices in Fuel, we would like to remind everyone that if we utilize the state fueling sites we are able to contain some of the inflated costs that you see at the pump.

All apparatus should have a State Fuel Network booklet. This booklet contains the state fueling sites. Where noted the fuel centers indicating “**STATE MANAGED**” is the preferred locations for fueling. These sites have better negotiated fuel rates. You may also access a listing of these sites on the UFA web page under Support → Logistics, or online at fleet.utah.gov → Fuel Network Directory.

If you are missing the State Fuel Network booklet please contact Fleet.

We appreciate your efforts in helping us to contain costs at this time.

If you have any questions please contact Jerry Jones 801-977-5125

Thank you!
